ABOUT US

We are Gambelos Investment Group, SRL (GIG) a real estate developer and promoter that focuses on the quality of its projects and the satisfaction of its clients. Within our objectives we highlight developing projects in safe complexes, where the environment of peace and comfort are your best allies. We are currently developing 6 projects in a tourist area of the Dominican Republic where we have been based since 2021.

Our first two projects in Bavaro; Gold Reef I and II have 27 and 48 apartments, respectively. In Punta Cana: Gold Reef Terraform with 48 apartments and Gold Reef City a multiple complex with 255 units with a variety of apartments, villas and townhouses and in the La Romana area we have the Gold Reef Apartments and Villas project which are located within the Playa Nueva Romana complex and have the CONFOTUR benefit.

**WHO
SUPPORTS OUR
BRAND?**

KEY PEOPLE

When two visionary people come together, great projects arise, and this is the case with ours Gold Reef projects created by:

Itshack Funis Azuz, an entrepreneur with 40 years of experience in 70 countries; creating and supporting projects such as telecommunications companies, investments, promotions and distributions of household appliances, food distribution, exports and imports, development of real estate projects in South Africa and Spain, and for 2 years in the Dominican Republic. In addition to financing in Dubai, among other achievements at the business level.

Liemier Laba Gabriel with 15 years of experience in the real estate sector, lawyer, member of the Bar Association of the Dominican Republic (CARD) and real estate expert, with a Master's Degree in Real Estate Law, among other achievements throughout his career.

We are committed to your investment and growth!

Objectives

To develop projects in safe complexes in the areas of Bavaro and La Romana, as well as create new opportunities for direct and indirect employment nationally and internationally.

Our Mission: To develop real estate projects that stand out for their design, quality, and benefits in the eastern part of the Dominican Republic, in which this is based on a great team of professionals who stand out for their human quality, experience and extensive experience.

Our Vision; To be recognized by national and international real estate investors as a developer that thinks about the well-being of its clients, as well as always selecting the best professionals to deliver each project with quality and punctuality.
